# Supporting discovery, preservation and enjoyment of the Alexander Turnbull Library collections

The **Turnbull Endowment Trust** is an independent charity supporting the **Alexander Turnbull Library** for over 85 years. Our aim is to ensure New Zealand's stories and documentary heritage are available to all, so they can harvest the full potential of these rich collections.

Funded through bequests and donations from everyday New Zealanders, our investments provide grants to enable Turnbull-related initiatives such as **research, training, publications and exhibitions**. With your help we can **expand these initiatives** so more New Zealanders can enjoy the collections and be a part of this national legacy.

Now, more than ever, we must cherish **New Zealand's collective memory** so it can be shared with generations of the future.

Get in touch to learn more about how you can contribute. We would love to hear from you.

Alexander Turnbull's generous bequest of 55,000 heritage documents to the Crown, formed the nucleus of the **Alexander Turnbull Library** which opened to the public in 1920. Generations of everyday New Zealanders have since added to the collections, **entrusted to be held in perpetuity**.
